[townofsunman.org](http://townofsunman.org)

Dear Sunman Utility Customer,

This letter is to inform you of new rates for water, sewer and sanitation services that will go into effect on July 15, 2022. The rates are expected to increase the utility bill for the average single-family home by about \$10.00 a month. This will vary depending on usage. Customers who reside outside the town limits will see an additional 10% Increase.

**There is a public meeting scheduled for Thursday, April 21, 2022, at 6:30 PM, located at the Town Hall, 604 N. Meridian Street, Sunman, IN 47041.**

As utility costs continue to rise, Sunman staff is committed to managing those costs and staying efficient while upholding the town's commitment to a sustainable future. These rate adjustments will help ensure the reliability and affordability of basic water, sewer and sanitation services. They will also support Council's commitment to the maintenance and replacement of aging infrastructure, which will mean fewer water main breaks and interruptions to service.

If you have questions about the rate changes, please contact the town hall at 812-623-2066, Monday through Friday, 8 a.m. to 12 p.m., and 1 p.m. to 4 p.m. or visit [www.townofsunman.org](http://www.townofsunman.org), where you can also view a detailed overview of the rate study process and see the new water volume tier structure. I have also enclosed the changes for your convenience.

Best Regards,

*Cheryl A. Taylor*

Clerk-Treasurer
